Diverssion/D MMO	Location	Informal Consultation Comments	Date	Order Date	Order Comments	PINS Yes/No	Confirmation Date
Diversion	Gayles Hall	Diversion in place but stat process not completed. Had pressed this case for a few years so no objection to informal consultation	2023		Following up progress with NYC		
Diversion	Catterick Bridge	To divert path to walked route and resolve anomaly re C2 C route. Supported diversion but pressed that use of FB rather than roadbridge be encouraged	2023	Jul-24	Visited to review order and queied deviation around a riverside hut but appantly required by Yorks Water walkers likely to ignore!		Sept 24
Diversion	Hipswell	Diversion away from busy farmyard and realignment of Mill path. Objected as shorter version achieved same end. Some to and fro corresponence but still objected	Feb-24	Apr-24	Order based on our shorter version. No objections so confirmed		Jun-24
DMMO	Stanvix Bridleway	BHS legal challenge to intimidating security gates at each end of path -seen as test case NYC accepted evidence that one gate was in place when the route was added to the defin map but have determined that the other is an illegal structure and should be removed	Nov-23	Apr-24	Applicant required to remove gates and have done so Restricted byway sign installed		
Diversion	Moor House Marske	Diversion away from farmyard Good route selected on which only minor comments made	Dec-23	Jun-24	No changes to informal version. Made no objection		
Diversion	Oak Grange Brompton on S	Permitted route provided when A1 upgrade led to blockage of PROW but only now are NYC making the diversion. Good well maintained route so no objection	May-24	Jul-24	No changes to informal version. Made no objection		Sep-24
Diversion	Woodburn Drive Leyburn	Two paths between Moor Road and Richmond road based on User Evidence No objection made	Jul-24				

DMMO	Patrick Brompton	Ramblers submission of "Lost Paths" by Yorkshire Area volunteer from village We were not involved but have checked out the route. Clearly a missing link in a path from the village	Jul-24				
Diversion	Low Green Catterick	Impact of housing development through the site. Many of our concerns addressed despite use of access road and failure to make a second existing "unoffical path " a PROW	Nov-24
